All Saints Bad Weather Policy

As our area weather turns cooler, it is time to remind families that All Saints Episcopal School follows the Lubbock Independent School District's weather announcements about school closings and delays due to inclement weather. (Watch your television or listen to the radio for these announcements.) While we follow LISD as to delayed openings due to inclement weather, for safety reasons we do not require our teachers to report to at the regular time. Thus, as always, supervision is only provided for students thirty minutes prior to the delayed opening time.

This time of year brings lots of celebrations that include special treats and craft activities that include food. Please remember to communicate with the parents of any children that have food allergies.

SCHOOL POLICY:

Children with food allergies should only be given treats that are provided by their parents. (Teachers should ask the parent of a child with a food allergy to provide a small

supply of special treats to keep in the classroom to give to their child in case someone provides treats especially without advance notice.)

NEVER give a child any food that is NOT clearly labeled.

DO NOT give any food item that contains the "May contain" or "May have come in contact with" statement on the label. Room Mothers and parents that want to provide food or crafts that have children in

the class with food allergies please contact the teacher first.

Parent Teacher Conferences

Parent Teacher Progress Conferences are scheduled for Thursday and Friday afternoons, January 19 and 20, 1:00-4:30pm. SCHOOL WILL BE DISMISSED AT 12:00 NOON BOTH AFTERNOONS.

Progress Conferences are an integral part of our program, and we request that both parents attend if at all possible. Please note the conference is for parents only, not your child. Because children will not be involved in the conference, it is preferable that they not come to school during your conference period.

Parents may begin to schedule conferences in **January 5**. On that day, an email will be sent to all parents with directions on how to schedule teacher conferences through the PickATime online system.

Coaches Corner

Don't forget today, December 14, in Jones Gym at 5:30pm there will be a meeting for any student in grade 5-8 interested in playing tennis this spring. It is highly encouraged that at least one parent attend to learn more about this years program.

Head Men's Coach at Texas Tech, will be on hand to answer any questions. Come and learn about the enhancements to our tennis program.

The Winter Shooting Camp will be on December 21. Grades 3-5 will meet from 8:30-12:00 and grades 6-8 will meet from 1:30-5:00pm. Register at info@brashearbasketball.com.
