CHAPEL NOTES

Two big events have occurred in chapel this week. Thank you to everyone who participated in our St. Francis of Assisi Eucharist on Tuesday. Everyone looked so handsome and pretty in their dress uniforms. Special thanks to **Fr. David Perdue**, Rector at St. Stephen's Episcopal Church, for joining us on this special day. And Monday, I had a great time before school with the annual Blessing of the Animals. We had a wonderful menagerie of dogs, rats, birds, and a few stuffed friends, too. Thanks to all of the parents who helped transport these creatures to and from school! We are all called to be good stewards of God's creation, and the nurture and care of our pets is a big way to live out the call.

This week during chapel, the 8th grade students will be sharing with the community their reflections on their time at MO Ranch last week. It will be great to experience the trip through their stories!

Looking ahead, on Friday, October 14, we celebrate a wonderful event and tradition at All Saints. It is Grandparents Day! Grandparents and Special Friends (and parents) are invited to join our students, faculty and staff for a special chapel service at 10:30 am in Jones Gym. At the conclusion of the chapel service, guests are invited to eat lunch with their student before students return to their classrooms for the remainder of the day. (Feel free to bring a picnic lunch or pre-order a lunch from the 8th grade – order forms are attached.)

Finally, a request from your chaplain: When we experience chapel together in Hanslik Gym each morning, it is a special time. The prayer, the music, the community, and most importantly, the Holy Spirit transform the gym into a sacred space. During our worship services, I ask all parents and visitors to refrain from bringing food or drink (including coffee) into the gym. Remember to turn all cell phones to vibrate. And if your students sit with you in the bleachers, help them to follow along with the service in a Hymnal and a Book of Common Prayer. Thank you for your attention to this request!

God's blessings to each of you as we move into Fall. It is a great time to be a part of God's creation as we watch it transform before us daily!

Peace,
Chaplain Paige

FOURTH GRADE NEWS

Bats and speleothems, and Fourth graders - Oh, my! On September 23, twenty-eight fourth graders and eighteen parent volunteers braved the bus ride to Carlsbad, NM. The first stop was the Living Desert Zoo, followed by lunch, then on to Carlsbad Caverns. After the students received hand held listening devices, the three hour tour of the caverns began. Observers saw cave swallows, giant stalagmites and stalactites, and a baby hippo. After a quick dinner, the group enjoyed the fabulous bat flight. Thousands of bats swirled out of the cave entrance at dusk. Our entire group received many compliments throughout the day from zoo tour leaders and numerous park rangers. We are so proud of our fourth grade Patriots!

The fourth grade students and teachers would like to thank the parents who accompanied us on our field trip to Carlsbad Caverns. It was a wonderful trip and a great opportunity to see so in action much of what we had studied!

Ode to Fall Festival

Four weeks to Fall Festival and all through the school
the kids are all anxious, and waiting seems cruel.

The tickets need ordered, you need not delay,
fill out your form, and do it today.

We'll start with spaghetti, so supper is done.
No dishes to wash, it's time to have fun.

Go fish for a prize or unlock a Treasure,
both are great booths and bring you great pleasure.

Play Video Games, throw Boogers, Laser Tag friends,
With a wrist band pass the fun never ends.

Hamster Wheel 'cross the yard, Train Ride down the street,
Saddle up on a Pony, Cake Walk in bare feet.

Launch a Chicken 'cross the room and into a pot,
Bob for a snack, give Bowling a shot.

Stroll through the Pumpkins that light up the night,
Putt Putt or Grab Bags, it's all a delight.

Toast your own marshmallow and make a S'more,
Play Plinko and Ring Toss, what else is in store?

The X-box 360 Kinex you could play,
If you win the big Raffle at the drawing that day.

The Nook is a dream prize, an electronic library
10,000 books you download, not carry.

A dollar for a chance or 6 for five dollars,
If I won those things you'd hear screams and hollers.

Go soak your friends in the Dunking Booth station,
It's all so much fun, just like a vacation.

Spider Climb to the sky and look down on the action,
Then climb the Rock Wall, a favorite attraction.

Glow with Bright Lights, get Designs on your face,
Do the Lollipop Tree, and slow down your pace.

Stop at the Food Booth to take a short break,
Cotton candy, caramel apples, popcorn and cake,

So many choices it's like a food party,
You can eat light or you can eat hardy.

Inflatable courses that challenge your skill,
Your heart skips a beat—it gives you a chill.

Sing out a song, Karaoke on stage,
You'll love this new booth, it's the new rage.

Poke your hand through a curtain for a Heart and a Kiss,
Silly String is out back, don't delay or you'll miss.

In Rainbow Connection pull a balloon from a pail,
Match up a color and follow the trail.

The ribbon that matches streams to the prizes,
So much to choose from in all shapes and sizes.

Pot Shots is the skill of shooting water balloons at some pans,
You don't want to miss putting this in your plans.

The Jail is so fun, put your friends to the test,
What will they think when they're under arrest.

Curl Up and Dye is for those who are hairy,
They can make you look cute or they can make you look scary.

Join us this year, bring your family and friends,
Cause when you're at All Saints the fun never ends!
